Personalizing Your Philanthropy

Many people come to a point in their lives where they feel inclined to give back. They do so for a number of reasons, all very personal to them. What motivates you? Perhaps you feel strongly about a cause. Perhaps an organization has touched your life or the lives of loved ones. Maybe you want to create a legacy and set an example that inspires others to give. Or your giving is a way to get your family together and pass along your values to younger generations.

Who can give?

Anyone! Donors to the Foundation are from a variety of backgrounds with a common commitment to the community’s well being. Whether setting up a named fund, contributing to an existing fund, or making an unrestricted gift, every person in the community can make a difference.

No gift is too small. The minimums referred to are only for starting a named fund. Gifts of $25, $10 or even $1 can be made to any existing named fund. That is what makes this truly a community foundation.

For as many motivations as there are to give, there are ways of giving. The key to having a rewarding giving experience is finding the best fit—for your charitable priorities, financial goals, and personal preferences.

Contact us for a checklist that is designed to help you and your professional advisor determine the custom giving solution that’s right for you.

About the Foundation

The Greater Northwest Kansas Community Foundation (GNWKCF) was formed to increase exposure and opportunities for philanthropy throughout northwest Kansas and the tri-state region. In 2009, realizing the benefits to regionalization, the Bird City Century II Development Foundation created and affiliated with GNWKCF. The hope was that other communities in the region would too become a part of GNWKCF, so that together we can build strong communities by building a strong regional community foundation to support its communities.

The Greater Northwest Kansas Community Foundation is an organization exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code, a public charity under section 509(a)(3), a supporting organization, and a non-profit corporation organized in the State of Kansas. With this designation, the Foundation is a supporting organization of the Greater Kansas City Community Foundation. The board of directors took these steps to ensure the future of the Foundation as a community foundation. With this relationship, Greater Kansas City Community Foundation assists the Foundation with back office and legal support.

Services to Affiliate Foundations

GNWKCF offers two types of affiliate relationships to other community foundations, an Affiliate and a Partner.

An Affiliate Community Foundation is a collection of community funds to increase the philanthropic base for a geographic area. Both endowed and non-endowed funds are developed to provide financial support to 501(c)(3) and other qualifying charitable non-profit organizations and for charitable purposes to benefit area residents.

A Partner Community Foundation is an Agency Fund of GNWKCF. The Partner Community Foundation relationship is for Community Foundations who already have a 501(c)(3) and already have employees, and an operating endowment to sustain its operations.

Owen and Phyllis Wingfield established the Wingfield Scholarship Fund in 2012 for Cheylin High School Seniors.

A 2013 recipient wrote “I thank you for awarding me with this scholarship and I can’t wait to be able to come back to my home community and share my successes of college life. Without the rewards of this scholarship, I know I would be having a very difficult time paying for college on my own, and many debts to pay off.”

In the three years of offering their support, the Wingfield Scholarship Fund has financially assisted a total of seven Cheylin graduates to go on to further their education.

Kathy Bergin-Schiltz Memorial Fund

Kathleen Ann Bergin was born on Sept. 9, 1958 in Great Bend, KS. She was the fourth child of Ed and JoAnn, she had nine brothers and sisters. Her family relocated to Holyrood, KS when she was two. In high school she played on the first ever girls basketball and volleyball teams. She attended Marymount College in Salina on a basketball scholarship. She graduated with a Bachelor of Science in Biology. Kathy had always wanted to be a teacher, and she definitely chose the right profession. Her first teaching position was at Cuba-Hillcrest, Cuba, KS. Then in 1982 she moved to Hoxie, KS. Kathy started off teaching biology and physical science to freshmen and sophomores. After teaching cutbacks took place, she was left teaching all the sciences: Physics, Chemistry, Biology and Physical Science. Kathy loved teaching, but her true passion was coaching.

In her time at Hoxie High, she was the head volleyball coach from 1983-2000, the head basketball coach in 1984 and was the assistant basketball coach under Shelly Hoyt from 2002-2009. She also coached at the junior high level. She was a very fair and consistent coach. Kathy became the Athletic Director in 1996 and held that position until 2009. Kathy married Kevin Schiltz on June 16, 2007. She was diagnosed with cancer on Sept. 8, 2009, one day before her 51st birthday. She passed away on June 29, 2010 in her home with her family and friends. She was such a great person: funny, witty, smart, happy, talented, caring and loving.

The Kathy Bergin-Schiltz Memorial Fund was established to honor Kathy; supporting programs and causes that would have been important to her.
