

Brianna Linin Memorial Scholarship

Brianna Danae Linin is the firstborn daughter of Brian and Janda Linin who died at the young age of 5 from a massive brain tumor. She was a beautiful little girl with curly brown hair and big, bright, blue eyes who loved to play, dance and be with her family. In every way, she was normal and extraordinary. She quietly and bravely battled brain cancer for 9 months. She endured surgeries, chemotherapy, radiation and lots of therapy to recover normal movements damaged by treatments. She never complained and taught her parents and her extended family a lot about what grace, courage and love is.

With this scholarship, we hope to reward those students who have demonstrated these kinds of qualities in their lives through school and community.
