

Dear Norton County Community Foundation Supporters:

Thanks to the community's generous donors in the past several years, Norton County Community Foundation has begun building a grant endowment fund intended to provide impact and resources for our county's charitable projects and programs forever. With your help, we have grown our grant endowment fund to over \$413,000!

Your generosity is changing lives.

Help continue this legacy! In November of 2019, the Norton County Community Foundation will embark on another year of the MyFoundation Campaign. We are again fortunate to have a 1.5:1 match opportunity provided by the Dane G. Hansen Foundation. Matching dollars are committed for the following:

- Grant Endowment Match: \$50,000.00
- Operating Fund "Bonus" Match: \$25,000.00

Give to the MyFoundation Campaign anytime during the month of November and your gift will be DOUBLED!

- Gifts up to \$5,000 per individual/family/business will be matched
- Dollars raised are invested in a grant endowment fund that is used to make grants of all types to support Norton County
- Our 2019 Goal is to raise \$50,000 so that we can fully leverage the \$75,000 in challenge grants - which brings us to a grand total of \$125,000.

Giving is easy and you have many options:

- 1) Complete and return the enclosed donor form
- 2) Give online at www.nortonccf.org
- 3) Call the NCCF Office at 785.874.5106 or email foundation@nortonccf.org

Thank you for your continued support of the Norton County Community Foundation and the future of Norton County!

Sincerely,

Norton County Community Foundation Board of Directors
