### Letter of Acceptance

Date \_\_\_\_\_ Amount \$ \_\_\_\_\_ / Per Semester \$ \_\_\_\_\_

I, \_\_\_\_\_, hereby accept the Edgar & Mabel Robertson Scholarship Award from the Bird City Century II Development Foundation, an affiliate of Greater Northwest Kansas Community Foundation, a Kansas non-profit corporation, subject to the conditions set forth in this Letter of Acceptance.

I understand and agree that this scholarship award is available for three (3) years from this date, but can only be used for two (2) years of expenses to attend a college, university or vocational/technical college. I understand that this scholarship award will be divided and paid out equally over 4 semesters, or 2 years. I understand that this scholarship award will be paid to the college and myself, at the beginning of each semester or course block that I am enrolled in as a full-time student at a college, university or vocational/technical college, and provided I meet the other conditions stated in this Letter of Acceptance.

I understand and agree that by accepting this scholarship award that I will maintain a minimum of a 2.5 cumulative grade point average. In the event my cumulative grade point average drops below the minimum grade point average, I will be placed on probation for one semester. I understand that if placed on probation, I will not receive any of the scholarship awards until I am reinstated. I understand that I may be reinstated if my cumulative grade point average equals or exceeds the minimum grade point average. I understand and agree that I will need to apply to the Bird City Century II Development Foundation for reinstatement, at which time the previous semester funds will be given to me. After two consecutive semesters of failure to meet the minimum cumulative grade point average will result in forfeiting all scholarship awards permanently.

I understand and agree that at the end of each semester I shall present verification of my grades, and verification of enrollment for the upcoming semester, to the Bird City Century II Development Foundation. If, for any reason, the institution will delay grades, I understand that I must inform the Bird City Century II Development Foundation of the delay. I understand that the Bird City Century II Development Foundation may delay payment of the remaining amount of the scholarship for failure to present proof of meeting the cumulative minimum grade point average requirement.

I understand and agree that good citizenship is an important criterion for the receipt of this scholarship award. Community service throughout my high school years will play a large role in determining my eligibility for this scholarship.

I understand and agree that it is my responsibility to determine what amount, if any, of the scholarship award is taxable as income, and to report the same under the Internal Revenue Code and any applicable state law.
